The Senior Class of Granville High School

Presents.....

THE 1950
BLUE AND WHITE

To "LARRY"--

Whose ability as our coach has won the respect
of us all,

Whose cheerful disposition and driving skill
has added so much to our school lives, and

Whose friendly ways helped us as our home-
room adviser during our seventh year at school,

We, the Senior Class, dedicate this, our 1950
Blue and White.

*We Honor*_____

Dedication

MR. LAURENCE PETERSON

HOWARD SMITH

STANLEY E. MARTIN

Administration

- *The work, friendliness, and cooperation between the faculty and the student body of our school cannot be successful without able leaders.*
- *With Mr. Martin, as superintendent, and Mr. Smith, as principal, Granville has two excellent advisors. We the students wish to thank these gentlemen for their splendid work in guiding us successfully through the school year of 1949-50.*

Our Custodians

RAY PARKER

Mr. Parker, who came to Granville High School last year, has made many friends among the students and faculty by his cheerful and willing cooperation, not only during his regular hours but for events held at night in the building.

HOWARD BOWMAN

Mr. Bowman has just recently been assigned to the grade school building as custodian. We hope that he likes his work there and judging from reports, he is doing a fine job.

ERNEST MOUSER

Ernie, as he is familiarly known to students and faculty alike, completes his twenty-fifth year as custodian at Granville High School this year. The fine appearance of the building and grounds attest his untiring efforts to make our school attractive and well-kept.

THE CLASSES

BACK ROW: (left to right) Martin Saunders, Joanne Hutchins, Ralph Young.

FIRST ROW: Barbara Phehegar, Ann Heckman, Marilyn Hiles.

Senior Class Officers

- President Martin Saunders
- Vice-President Ralph Young
- Secretary Barbara Pheneger
- Treasurer Joanne Hutchins
- Social Chairman Marilyn Hiles
- Student Council Representative Ann Heckman

The Senior Class Officers really have a big job, that of managing the affairs of the oldest class in GHS. President Martin Saunders, with the help of the rest of the officers, has done extremely well this year. Things have been run smoothly and efficiently. The Seniors have been well served by their elected leaders.

The Senior Prophecy

(From the Newark Advocate, May 28, 1955)

Last evening, May 27, 1955, the Class of 1950 held its fifth annual reunion. The dinner was served in the Granville Inn at 7:00 o'clock. After a delicious meal, which was prepared by Audrey Billman, a varied program was presented by some of the talented graduates of 1950. This program featured a dance routine by Wilma Hannahs and operatic selections from the forth-coming debut of Joanne Hutchins. After the performance of the above mentioned girls, Mary Lou Williams showed us the lighter side of the arts by presenting a sketch of her own comedy show which is broadcasted nightly except Saturdays and Sundays over WCLT. Harriett Wells expressed the appreciation of the entire group by her estatic giggling after each joke. The spot light then turned on Carol Lantz and her orchestra featuring Carol on the violin. The remainder of the evening was devoted to a social gathering which lasted until the "wee" hours of the morning.

During this time many people were in for surprises, for example who would think that our own Bob Simross was the coach at Granville High School and that the Sammy Phillips was employed by the school as a full time mechanic to keep the driver training car in running condition. It seems that Bob has lost some of his best games due to the fact that the referee was Don Carlyle. During the course of the evening's chatter it was discovered that Dick Glover came all the way from Canada where he operates a fur trading post for the Dominion. We also found that Herbert Breymaier and John Lantz are joint operators of the "Sally Jones Plantation," and that Mary Ellen Quick is in charge of their racing stables. It seems though you just can't beat them --they've won the Kentucky Derby for three consecutive years. Turning for a moment to the fashion world, we learn that Joyce Bennett is now a leading dress designer in New York and that Jessie Hodges is a fashionable hair stylist. It was also revealed that Marilyn Hiles is still trying to discover a newer and easier method of bleaching hair. In checking up on the old familiar history class it was found that Martin Saunders is the Mayor of Granville. Alice Hutchins has progressed to the U. S. Ambassadorship in Great Britian with Bruce Schilling heading her staff in the foreign service as a consulting lawyer. Two of the late arrivals were Jack LeFevre and Ralph Young. Jack immediately announced that he has perfected a new drug soon to be marketed that was guaranteed to put pounds on anyone. Jack, as you must know, is one of the busy young physicians in the village. Ralph, whose chief interest still is in athletics, stopped over to attend the banquet while on a scouting trip as head trainer for the next world Olympic meet. A welcome break in the evening came when Rachel Collins kindly consented to play "Onward Granville" on her French Horn. Lela Piper was so inspired by the rendition, that she grabbed the nearest broom and quite forgetting herself in reveries of her high school position as head drum majorette, threw it

over the chandelier. David Grant rushed up front with his familiar little black bag and put a penny in the fuse box, thereby restoring the lights. David was anxious that no one overlook his fiancée to whom he finally popped the question after seven years of going steady.

While the crowd was still applauding, Maryan Francis came up led by her seeing-eye dog, to give us a sketch of her play, now current on Broadway. It was rumored that she lost her sight while writing her last hit (a tragedy) in a dim garret as she was unable to afford another candle.

(Offerings were left at the door.)

After these interesting interludes, the guests again started catching up on the news. Their eyes really weren't deceiving them when they beheld Joan McDaniel walk by with a diamond studded dress. She told her classmates she had made her fortune from a discovery of a freckle cream which had high vanishing qualities.

Brad Stark and Ann Heckman Stark drew a great deal of attention, especially around 10:00 o'clock when they had to dash home to fix the bottles for their triplets. Ann remarked that she was looking forward to her children going to school because Sue Cooperrider is now head nurse in the new grade school building. Ann's only son is even now looking forward to photography in the new shop building. Helping her with the girl's clothes is Louise Collins, capable and popular local seamstress. Sue Pinkerton entertains the Stark children on her "Baby Hour" at 11:00 o'clock every weekday morning over a national radio hookup.

Those of the class who had thoughts of owning their own home some day, have already consulted Bill Moore concerning building by submitting their ideas to his capable and attractive private secretary and assistant, Sara Hartman.

Edith Young who always liked to pursue interesting cases is now ambulance chasing for that very successful attorney, Wayland Marlow. Wayland has not given up his interest in athletics, however, and his friend Ronnie Van Atta, who just hung out his M. D. shingle, is still waiting hopefully for Wayland as a patient. Mary Eilen Shields, who has just finished a hitch with the WAVES is the nurse in Van Atta's office.

Like most farmers, Kathryn Camp appeared late, after having had to pace the brooder house at the last minute.

The climax of the evening came when Don Femulee announced that he had it all over his classmates because he was still loafing.

Pictures and snapshots were taken by Bob Deal before the business meeting was called by the one and only senior home room teacher, Miss Robinson.

It was decided by the 1950 graduates to hold their next reunion in California so that Barbara Pheneger Jones might attend. The business meeting was then adjourned and all went home after a very enjoyable evening.

We, the Class of 1951, can boast an outstanding year. Under the capable direction of Mr. Croskey we presented a gripping mystery as our Junior Class play.

We were also honored by winning first prize on our Homecoming float.

Several Juniors were initiated into Thespians, and we were well represented in Y-Teens, Hi-Y, Band, and Chorus. In athletics many Juniors played on the football, basketball, baseball, track, and golf teams.

We boast of having the largest class in GHS as well as having had the same class president since the Seventh Grade, namely, Bruce Williams. This year Bruce is also representing Granville on the County Student Council.

After discharging our responsibilities for the year with a banquet and dance honoring the senior class, we are looking forward to the coming year with great expectations.

We are grateful for the helpfulness and cooperation of our advisers, Miss Miley and Mr. Croskey.

The class of 1952 feels sure that the school year 1949-50 was a good year. There are seven Hi-Y members and twenty-three Y-Teens. The Sophomores were well represented on the football, basketball, and baseball teams. Pearl Phillips, Charlotte Lewis and Dorothy Wilcox were three of the five reserve cheerleaders. There were also sophomores represented in the band and chorus. "The Home" was the title of the float we had in the Homecoming Parade.

We thank our capable advisors, Miss Cozad and Miss Walz, for helping us to do our part in the life of Granville High.

The Freshman Class is proud to have participated in so many school activities during the past year. In athletics they took part as members of the football, basketball, baseball, track and golf teams. Fifteen members of the class were in the chorus and ten in the band.

For the second consecutive year our class won the annual magazine sale with the first prize winner a Freshman.

Our float titled "The Park" did not win a prize in the Homecoming parade but we have high hopes for next year.

Our class roster was increased this year by the coming of Louise Claffey, Dick Hanby, and Emants Veits.

With the help of our advisers, Mrs. Lewis and Mrs. Dunn, the Freshman have put the first milestone toward graduation behind them.

This year we had someone to look down upon. No longer were we the youngest pupils in Granville High School.

We won second prize in the Homecoming parade. It was based on the book "Little Women."

Two people in our class won "Oscars" for their work during the magazine sale.

At Christmas time the members of the class enjoyed themselves at a party, where gifts were exchanged and games were played.

Another party was held at the end of the year when the class went to Spring Valley swimming pool.

Miss Foster has been a very capable home room teacher, and we appreciate all she has contributed to the friendly atmosphere of our class.

Our class started off their first year in High School in a big way by capturing second and fifth places in the annual magazine sale. Next year we hope to cop first place---so ice-cream man beware!

Our room entered a float in the Homecoming Parade this year. It was "Sports March On." We did not win a prize but it was a lot of fun working on it.

The entire class wishes to thank Miss Spillman and Mr Lahm for their help and encouragement throughout this school year.

A unique feature of this year's Student Council is the fact that its president is a member of the fairer sex.

Alice Hutchins, the first girl to be elected to this post in the history of Granville High School has justified the confidence placed in her by doing a grand job.

The outstanding social event sponsored by the Council this year was the all school party given on November 23.

Granville was represented on the Licking County Student Council by Alice Hutchins and Bruce Williams.

Junior Class Play

"No Way Out," by Owen Davis, was presented November 17 and 18 by the Junior Class.

It was an all class project. There were ten Juniors in the cast. Other members worked backstage, with make-up, tickets, publicity, and as ushers. Without their help the play would have been just a play instead of the real success that it was. The play was a mystery built around the scheme of a prominent doctor to rid of his step-daughter and gain control of her money. Everything turned out well for the step-daughter, though not so well for the doctor. The play was full of suspense and held the interest of the audience until the final curtain.

The Junior Class is much indebted to Mr. Robert McCroskey for his able and patient direction of the play.

Senior Class Play

The seniors said their final farewell when the curtain rang down on their last curtain call. The play, "WE SHOOK THE FAMILY TREE" was given by a cast chosen by Robert McCroskey. Due to his first-class directing, the seniors gave the comedy with professional ease.

Thespian Society, The Granville High School Dramatic Club, started this year with a "tar and feathering" initiation for it's new members. The club unanimously voted to join the Thespians, a nation-wide dramatic society.

The primary objective of the club is not only to teach acting, but to teach the technique of applying make-up, and constructing sets.

This year the club produced three one act plays directed by the club advisor, Mr. McCroskey. These plays, "Pink and Patches," "Jazz and Minuet," and "Poor Madalena" were presented on March 16th.

Y-Teens started the year by inviting their mothers to a beautiful candle-light service held as their formal initiation.

The club was divided into four groups or "triangles," which chose a worthy project. These projects were: The County Home, The Veteran's Hospital, The State Hospital, and our own Granville High.

During the year the Y-Teens sold refreshments at the football and basketball games, sponsored the sending of candy bars to Europe, took charge of the Thanksgiving assembly, visited the County Home, and ended the year happily with a dinner and theatre party.

The club presented an amplifier to the school for use at football games, dances, and other school projects for which it might be useful.

The members of the club wish to thank our capable advisers, Miss Miley and Miss Robinson, and our officers for their work during this especially fine year.

Hi-Y

The 1949-50 Hi-Y season has been a most enjoyable one. The group has functioned under the able leadership of their adviser, Mr. Engle, and their president, Bill Moore.

November found the Granville Hi-Y playing host to the district meeting. In April, they had their annual party with music, dancing, and delicious refreshments.

Cleaning the trophies was one of the projects of the Hi-Y carried out this year. The club was also in charge of the Christmas assembly program in December. Included in the program was the singing of carols and a scene portraying the coming of the Three Wise Men.

This year the Hi-Y, as a body attended Sunday Church services in each of the four Granville Churches.

At the close of a successful year the members feel confident that the organization will continue to grow and have many more such years.

Music

The Granville High Marching Band stepped out this year in their snappy new uniforms and gave many excellent performances on the football field during the half time period. The band is under the able direction of Mr. James Lee, who spent much time and effort improving it. Granville is very proud to have the largest marching band in the county.

A feature of the expanded program for the band was the Spring Concert given in March. It was well received and it is hoped it will be an annual event.

The band members wish to express their appreciation to the school and the Band Boosters Club for their help in raising funds for their new uniforms and for purchasing new instruments which included two saxophones, a bass drum, a sousaphone, and a baritone.

Several of the band members represented Granville at Ohio Wesleyan and the district contest at Denison University. The entire band performed at Otterbein College and one band member is participating in the state contest at Capital University. Several members are planning to attend the Baldwin Wallace Band Clinic held in June.

Under the capable direction of Mr. James Lee, the chorus this year has taken part in many school and county music activities. Thirteen members of the group were chosen to sing with all-county chorus. Twenty-four students from the chorus attended the annual music festival at Ohio Wesleyan University at Delaware, Ohio this spring. In December they presented a concert of beautiful Christmas music. In April the chorus contributed to the Open House by participating in the music program with the band. A group from the chorus entered the contest for high schools held at Dennison University this year and won a "good" rating. With a satisfactory performance behind them, the chorus looks forward to a bigger and better year in '51.

Yearbook Staff

The Senior Class of 1950 in presenting this publication hopes that it will enable the public to become more familiar with the students, faculty, athletics, and activities which characterize Granville High School.

The Class gratefully acknowledges those who have helped to make this 1950 publication of the Blue and White possible. Special thanks go to Mr. J. S. Motherway and the Pontiac Engraving Co., Mr. Ralph Mickel and the Scholl Printing Co., Mr. W. C. Sims and the De Luxe Craft Manufacturing Co., Mr. Roland Thompson, photographer, and to the businessmen for sponsor pages and advertisements.

Blue and White News

Journalism

This year the Blue and White Staff was considerably smaller than it was last year. We have succeeded in putting out a small weekly paper which was very popular with the student body along with a periodic large paper. Our accomplishments this year were due largely to the keen and responsible assistance of our adviser, Mrs. Lewis. The members of the staff wish to thank her and our capable editor, Dave Grant, for their un-failing efforts.

Majorettes

This year as last, the band while marching, was under the able leadership of Lela Piper. The two majorettes, Sue Claggett and Mary Lou Williams, livened the half-time shows by performing many dance steps and exhibitions of baton twirling. Both Lela and Mary are Seniors and Sue is a junior. All three girls should be congratulated for a job well done.

With eleven return lettermen from the "48" squad, the Granville Blue Aces waded through a rough nine game schedule, which included two class "A" schools. They emerged with six victories and three defeats. In spite of the three losses, Granville copped the coveted championship by being undefeated in Licking County. The team possessed unusually fine spirit and the ability to make a comeback, two things necessary for a top football team. To those boys who won't return next year we would like to say good luck in whatever you do and wherever you go. Also we would like to thank Coach Larry Peterson for his fine work with the varsity and Coach Ward Lahm for his fine work with the Reserves.

Varsity Basketball

This year's edition of Granville High School's Varsity basketball squad was a very good one. Coach Larry Peterson brought his squad victoriously through twelve of the seventeen games played.

In the County League this year, the Blue Aces won 9 out of 12. They lost two tough ones to Utica, and were defeated by a determined Hebron quintet. The team entered the County Tournament hopeful of bringing home the championship. It looked for a time as if they might do just that, as they steam-rolled over a surprisingly strong Homer team, only to be side tracked in another heart-breaking loss to Utica. The Blue Aces earned a berth in the District by edging Pataskala in a hard-fought contest.

In the District Tournament, they played aggressive, heads-up basketball to squeak past a strong Danville five. The Aces couldn't keep up with a taller, fast-breaking London team, and were rudely jolted out of the tournaments.

Steve Michaelis, Bruce Williams, and Lynn Atwell were honored by being chosen to the second All-County Basketball Team.

With only four of the twelve players on the squad graduating, next year's team should be a very promising one.

Reserve Basketball

Reserves

Sparked by fast and smart playing the Reserves battled through a tough season to emerge champions in their league. This is the second year that the Reserves have attained this honor. They played a total of 17 games with only 5 losses. Of these losses only one was a county game.

In the final game of the year the Reserves nosed out Utica for the championship by the score of 37 to 38.

Baseball

The record hung up by the Blue Aces baseball team last year was the County Championship and the runner up team to Cardington, District Tournament winner at Columbus. The "50" team opened the season with a flying start to equal this record by defeating Upper Arlington and Utica. Greeting Coach Ward Lahm were eleven lettermen from last year's team.

The spirit of the team coupled with the fine coaching of Mr. Lahm has made baseball one of the most popular sports at G. H. S.

Cheerleaders

Fifteen rahs for the Granville team! That should also be fifteen rahs for the Granville Cheerleaders. This year the cheerleaders had a new adviser, Mrs. Dunn. They have shown much improvement, at our games, by bringing along those joyful smiles, snappy yells and colorful uniforms.

Our varsity cheerleaders are seven in number: five girls and two boys. The squad is completed by a reserve section of five girls. Working harmoniously, they skillfully inspire the Granville fans to lend their wholehearted vocal support to our teams.

Homecoming

Time marches on! This was the theme for Homecoming this year. Gayly decorated floats were used to show the changes from colonial times to the modern era in such things as the home, books, schools, dating, and music. A close and exciting game in the evening, with the presentation of the Queen and her attendants at half-time, proved a fitting ending to the 1949 Homecoming.

About Your Next Step Forward

Where do you go from here?

Perhaps it will be in further pursuit of formal education in colleges and universities, or it may be directly into the field of business and industry.

Regardless of your choice, your friends and neighbors at Owens- Corning Fiberglass Corporation wish you every success in the years ahead.

To each of you go our congratulations upon your graduation from Granville High School.
